649	identification cards by October 3, 2017.
650	(d) Applications for identification cards must be submitted
651	on a form prescribed by the department. The department may
652	charge a reasonable fee associated with the issuance,

As soon as practicable, but no later than July 3, 2017, 672 the department shall license as a medical marijuana treatment center any entity that holds an active, unrestricted license to 673 674 cultivate, process, transport, and dispense low-THC cannabis, 675 medical cannabis, and cannabis delivery devices, under former s. 676 381.986, Florida Statutes 2016, before July 1, 2017, and which 677 meets the requirements of this section. In addition to the authority granted under this section, these entities are 678 679 authorized to dispense low-THC cannabis, medical cannabis, and 680 cannabis delivery devices ordered pursuant to former s. 381.986, 681 Florida Statutes 2016, which were entered into the compassionate 682 use registry before July 1, 2017, and are authorized to begin 683 dispensing marijuana under this section on July 3, 2017. The 684 department may grant variances from the representations made in 685 such an entity's original application for approval under former 686 s. 381.986, Florida Statutes 2014, pursuant to paragraph (e). 2. The department shall license as medical marijuana 687 688 treatment centers 10 applicants that meet the requirements of 689 this section, under the following parameters: 690 a. As soon as practicable, but no later than August 1, 691 2017, the department shall license any applicant whose 692 application was reviewed, evaluated, and scored by the department and which was denied a dispensing organization 693 694 license by the department under former s. 381.986, Florida 695 Statutes 2014; which had one or more administrative or judicial challenges pending as of January 1, 2017, or had a final ranking 696

Page 24 of 78

	20178Aer
697	within one point of the highest final ranking in its region
698	under former s. 381.986, Florida Statutes 2014; which meets the
699	requirements of this section; and which provides documentation
700	to the department that it has the existing infrastructure and
701	technical and technological ability to begin cultivating
702	marijuana within 30 days after registration as a medical
703	marijuana treatment center.
704	b. As soon as practicable, but no later than October 3,
705	2017, the department shall license one applicant that is a
706	recognized class member of Pigford v. Glickman, 185 F.R.D. 82
707	(D.D.C. 1999), or In Re Black Farmers Litig., 856 F. Supp. 2d 1
708	(D.D.C. 2011) and is a member of the Black Farmers and
709	Agriculturalists Association-Florida Chapter. An applicant
710	licensed under this sub-subparagraph is exempt from the
711	requirements of subparagraphs (b)1. and (b)2.
712	c. As soon as practicable, but no later than October 3,
713	2017, the department shall license applicants that meet the
714	requirements of this section in sufficient numbers to result in
715	10 total licenses issued under this subparagraph, while
716	accounting for the number of licenses issued under sub-
717	subparagraphs a. and b.
718	3. For up to two of the licenses issued under subparagraph
719	2., the department shall give preference to applicants that
720	demonstrate in their applications that they own one or more
721	facilities that are, or were, used for the canning,
722	concentrating, or otherwise processing of citrus fruit or citrus
723	molasses and will use or convert the facility or facilities for
724	the processing of marijuana.
725	4. Within 6 months after the registration of 100,000 active

Page 25 of 78

	20178Aer
726	qualified patients in the medical marijuana use registry, the
727	department shall license four additional medical marijuana
728	treatment centers that meet the requirements of this section.
729	Thereafter, the department shall license four medical marijuana
730	treatment centers within 6 months after the registration of each
731	additional 100,000 active qualified patients in the medical
732	marijuana use registry that meet the requirements of this
733	section.
734	5. Dispensing facilities are subject to the following
735	requirements:
736	a. A medical marijuana treatment center may not establish
737	or operate more than a statewide maximum of 25 dispensing
738	facilities, unless the medical marijuana use registry reaches a
739	total of 100,000 active registered qualified patients. When the
740	medical marijuana use registry reaches 100,000 active registered
741	qualified patients, and then upon each further instance of the
742	total active registered qualified patients increasing by
743	100,000, the statewide maximum number of dispensing facilities
744	that each licensed medical marijuana treatment center may
745	establish and operate increases by five.
746	b. A medical marijuana treatment center may not establish
747	more than the maximum number of dispensing facilities allowed in
748	each of the Northwest, Northeast, Central, Southwest, and
749	Southeast Regions. The department shall determine a medical
750	marijuana treatment center's maximum number of dispensing
751	facilities allowed in each region by calculating the percentage
752	of the total statewide population contained within that region
753	and multiplying that percentage by the medical marijuana
754	treatment center's statewide maximum number of dispensing

Page 26 of 78

	20178Aer
755	facilities established under sub-subparagraph a., rounded to the
756	nearest whole number. The department shall ensure that such
757	rounding does not cause a medical marijuana treatment center's
758	total number of statewide dispensing facilities to exceed its
759	statewide maximum. The department shall initially calculate the
760	maximum number of dispensing facilities allowed in each region
761	for each medical marijuana treatment center using county
762	population estimates from the Florida Estimates of Population
763	2016, as published by the Office of Economic and Demographic
764	Research, and shall perform recalculations following the
765	official release of county population data resulting from each
766	United States Decennial Census. For the purposes of this
767	subparagraph:
768	(I) The Northwest Region consists of Bay, Calhoun,
769	Escambia, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson,
770	Leon, Liberty, Madison, Okaloosa, Santa Rosa, Taylor, Wakulla,
771	Walton, and Washington Counties.
772	(II) The Northeast Region consists of Alachua, Baker,
773	Bradford, Clay, Columbia, Dixie, Duval, Flagler, Gilchrist,
774	Hamilton, Lafayette, Levy, Marion, Nassau, Putnam, St. Johns,
775	Suwannee, and Union Counties.
776	(III) The Central Region consists of Brevard, Citrus,
777	Hardee, Hernando, Indian River, Lake, Orange, Osceola, Pasco,
778	Pinellas, Polk, Seminole, St. Lucie, Sumter, and Volusia
779	<u>Counties.</u>
780	(IV) The Southwest Region consists of Charlotte, Collier,
781	DeSoto, Glades, Hendry, Highlands, Hillsborough, Lee, Manatee,
782	Okeechobee, and Sarasota Counties.
783	(V) The Southeast Region consists of Broward, Miami-Dade,

784 Martin, Monroe, and Palm Beach Counties. 785 c. If a medical marijuana treatment center establishes a 786 number of dispensing facilities within a region that is less 787 than the number allowed for that region under sub-subparagraph b., the medical marijuana treatment center may sell one or more 788 789 of its unused dispensing facility slots to other licensed 790 medical marijuana treatment centers. For each dispensing 791 facility slot that a medical marijuana treatment center sells, 792 that medical marijuana treatment center's statewide maximum 793 number of dispensing facilities, as determined under sub-794 subparagraph a., is reduced by one. The statewide maximum number 795 of dispensing facilities for a medical marijuana treatment 796 center that purchases an unused dispensing facility slot is 797 increased by one per slot purchased. Additionally, the sale of a 798 dispensing facility slot shall reduce the seller's regional 799 maximum and increase the purchaser's regional maximum number of 800 dispensing facilities, as determined in sub-subparagraph b., by 801 one for that region. For any slot purchased under this sub-802 subparagraph, the regional restriction applied to that slot's location under sub-subparagraph b. before the purchase shall 803 804 remain in effect following the purchase. A medical marijuana 805 treatment center that sells or purchases a dispensing facility 806 slot must notify the department within 3 days of sale. 807 d. This subparagraph shall expire on April 1, 2020. 808 If this subparagraph or its application to any person or 809 circumstance is held invalid, the invalidity does not affect 810 811 other provisions or applications of this act which can be given 812 effect without the invalid provision or application, and to this

Page 28 of 78

20178Aer 813 end, the provisions of this subparagraph are severable. 814 (b) An applicant for licensure as a medical marijuana 815 treatment center shall apply to the department on a form 816 prescribed by the department and adopted in rule. The department shall adopt rules pursuant to ss. 120.536(1) and 120.54 817 establishing a procedure for the issuance and biennial renewal 818 of licenses, including initial application and biennial renewal 819 820 fees sufficient to cover the costs of implementing and 821 administering this section, and establishing supplemental licensure fees for payment beginning May 1, 2018, sufficient to 822 cover the costs of administering ss. 381.989 and 1004.4351. The 823 824 department shall identify applicants with strong diversity plans reflecting this state's commitment to diversity and implement 825 826 training programs and other educational programs to enable 827 minority persons and minority business enterprises, as defined in s. 288.703, and veteran business enterprises, as defined in 828 829 s. 295.187, to compete for medical marijuana treatment center 830 licensure and contracts. Subject to the requirements in 831 subparagraphs (a)2.-4., the department shall issue a license to an applicant if the applicant meets the requirements of this 832 833 section and pays the initial application fee. The department 834 shall renew the licensure of a medical marijuana treatment 835 center biennially if the licensee meets the requirements of this 836 section and pays the biennial renewal fee. An individual may not 837 be an applicant, owner, officer, board member, or manager on more than one application for licensure as a medical marijuana 838 839 treatment center. An individual or entity may not be awarded 840 more than one license as a medical marijuana treatment center. An applicant for licensure as a medical marijuana treatment 841

842	center must demonstrate:
843	1. That, for the 5 consecutive years before submitting the
844	application, the applicant has been registered to do business in
845	in the state.
846	2. Possession of a valid certificate of registration issued
847	by the Department of Agriculture and Consumer Services pursuant
848	<u>to s. 581.131.</u>
849	3. The technical and technological ability to cultivate and
850	produce marijuana, including, but not limited to, low-THC
851	cannabis.
852	4. The ability to secure the premises, resources, and
853	personnel necessary to operate as a medical marijuana treatment
854	center.
855	5. The ability to maintain accountability of all raw
856	materials, finished products, and any byproducts to prevent
857	diversion or unlawful access to or possession of these
858	substances.
859	6. An infrastructure reasonably located to dispense
860	marijuana to registered qualified patients statewide or
861	regionally as determined by the department.
862	7. The financial ability to maintain operations for the
863	duration of the 2-year approval cycle, including the provision
864	of certified financial statements to the department.
865	a. Upon approval, the applicant must post a \$5 million
866	performance bond issued by an authorized surety insurance
867	company rated in one of the three highest rating categories by a
868	nationally recognized rating service. However, a medical
869	marijuana treatment center serving at least 1,000 qualified
870	patients is only required to maintain a \$2 million performance

Page 30 of 78

871	bond.
872	b. In lieu of the performance bond required under sub-
873	subparagraph a., the applicant may provide an irrevocable letter
874	of credit payable to the department or provide cash to the
875	department. If provided with cash under this sub-subparagraph,
876	the department shall deposit the cash in the Grants and
877	Donations Trust Fund within the Department of Health, subject to
878	the same conditions as the bond regarding requirements for the
879	applicant to forfeit ownership of the funds. If the funds
880	deposited under this sub-subparagraph generate interest, the
881	amount of that interest shall be used by the department for the
882	administration of this section.
883	8. That all owners, officers, board members, and managers
884	have passed a background screening pursuant to subsection (9).
885	9. The employment of a medical director to supervise the
886	activities of the medical marijuana treatment center.
887	10. A diversity plan that promotes and ensures the
888	involvement of minority persons and minority business
889	enterprises, as defined in s. 288.703, or veteran business
890	enterprises, as defined in s. 295.187, in ownership, management,
891	and employment. An applicant for licensure renewal must show the
892	effectiveness of the diversity plan by including the following
893	with his or her application for renewal:
894	a. Representation of minority persons and veterans in the
895	medical marijuana treatment center's workforce;
896	b. Efforts to recruit minority persons and veterans for
897	employment; and
898	c. A record of contracts for services with minority
899	business enterprises and veteran business enterprises.

	20178Aer
900	(c) A medical marijuana treatment center may not make a
901	wholesale purchase of marijuana from, or a distribution of
902	marijuana to, another medical marijuana treatment center, unless
903	the medical marijuana treatment center seeking to make a
904	wholesale purchase of marijuana submits proof of harvest failure
905	to the department.
906	(d) The department shall establish, maintain, and control a
907	computer software tracking system that traces marijuana from
908	seed to sale and allows real-time, 24-hour access by the
909	department to data from all medical marijuana treatment centers
910	and marijuana testing laboratories. The tracking system must
911	allow for integration of other seed-to-sale systems and, at a
912	minimum, include notification of when marijuana seeds are
913	planted, when marijuana plants are harvested and destroyed, and
914	when marijuana is transported, sold, stolen, diverted, or lost.
915	Each medical marijuana treatment center shall use the seed-to-
916	sale tracking system established by the department or integrate
917	its own seed-to-sale tracking system with the seed-to-sale
918	tracking system established by the department. Each medical
919	marijuana treatment center may use its own seed-to-sale system
920	until the department establishes a seed-to-sale tracking system.
921	The department may contract with a vendor to establish the seed-
922	to-sale tracking system. The vendor selected by the department
923	may not have a contractual relationship with the department to
924	perform any services pursuant to this section other than the
925	seed-to-sale tracking system. The vendor may not have a direct
926	or indirect financial interest in a medical marijuana treatment
927	center or a marijuana testing laboratory.
928	(e) A licensed medical marijuana treatment center shall

Page 32 of 78

20178Aer 929 cultivate, process, transport, and dispense marijuana for 930 medical use. A licensed medical marijuana treatment center may 931 not contract for services directly related to the cultivation, 932 processing, and dispensing of marijuana or marijuana delivery 933 devices, except that a medical marijuana treatment center 934 licensed pursuant to subparagraph (a)1. may contract with a single entity for the cultivation, processing, transporting, and 935 936 dispensing of marijuana and marijuana delivery devices. A 937 licensed medical marijuana treatment center must, at all times, 938 maintain compliance with the criteria demonstrated and 939 representations made in the initial application and the criteria 940 established in this subsection. Upon request, the department may 941 grant a medical marijuana treatment center a variance from the 942 representations made in the initial application. 1424	13. Violating a lawful order of the department or an agency
1425	of the state, or failing to comply with a lawfully issued
1426	subpoena of the department or an agency of the state.
1427	(g) The department may suspend, revoke, or refuse to renew

1432	120.536(1) and 120.54 to implement this subsection.
1433	(11) PREEMPTIONRegulation of cultivation, processing, and
1434	delivery of marijuana by medical marijuana treatment centers is
1435	preempted to the state except as provided in this subsection.
1436	(a) A medical marijuana treatment center cultivating or
1437	processing facility may not be located within 500 feet of the

Page 50 of 78

	20178Aer
1451	the boundaries of that municipality. A county may determine by
1452	ordinance the criteria for the location of, and other permitting
1453	requirements that do not conflict with state law or department
1454	rule for, all such dispensing facilities located within the
1455	unincorporated areas of that county. Except as provided in
1456	paragraph (c), a county or municipality may not enact ordinances
1457	for permitting or for determining the location of dispensing
1458	facilities which are more restrictive than its ordinances

1461	medical marijuana treatment center a license or permit fee in an
1462	amount greater than the fee charged by such municipality or

1469	that comprises a public or private elementary school, middle
1470	school, or secondary school unless the county or municipality
1471	approves the location through a formal proceeding open to the
1472	public at which the county or municipality determines that the
1473	location promotes the public health, safety, and general welfare
1474	of the community.
1475	(d) This subsection does not prohibit any local
1476	jurisdiction from ensuring medical marijuana treatment center
1477	facilities comply with the Florida Building Code, the Florida
1478	Fire Prevention Code, or any local amendments to the Florida
1479	Building Code or the Florida Fire Prevention Code.

1512	2. A person charged with a violation of this paragraph may
1513	not be convicted if, before or at the time of his or her court

1553	third degree, punishable as provided in s. 775.082, s. 775.083,

1577	cease and desist does not constitute agency action for which a
1578	hearing under s. 120.569 or s. 120.57 may be sought. For the
1579	purpose of enforcing a cease and desist order, the department

1590	subject does not dispute the matter in the citation with the
1591	department within 30 days after the citation is served, the
1592	citation shall become a final order of the department. The
1593	department may adopt rules pursuant to ss. 120.536(1) and 120.54
1594	to implement this section. Each day that the unlicensed activity
1595	continues after issuance of a notice to cease and desist
I	

Page 55 of 78

	20178Aer
1596	constitutes a separate violation. The department shall be
1597	entitled to recover the costs of investigation and prosecution
1598	in addition to the fine levied pursuant to the citation. Service
1599	of a citation may be made by personal service or by mail to the
1600	subject at the subject's last known address or place of
1601	practice. If the department is required to seek enforcement of
1602	the cease and desist or agency order, it shall be entitled to
1603	collect attorney fees and costs.
1604	(c) In addition to or in lieu of any other administrative
1605	remedy, the department may seek the imposition of a civil
1606	penalty through the circuit court for any violation for which
1607	the department may issue a notice to cease and desist. The civil
1608	penalty shall be no less than \$5,000 and no more than \$10,000
1609	for each offense. The court may also award to the prevailing
1610	party court costs and reasonable attorney fees and, in the event
1611	the department prevails, may also award reasonable costs of
1612	investigation and prosecution.
1613	(d) In addition to the other remedies provided in this
1614	section, the department or any state attorney may bring an
1615	action for an injunction to restrain any unlicensed activity or
1616	to enjoin the future operation or maintenance of the unlicensed
1617	activity or the performance of any service in violation of this
1618	section.
1619	(e) The department must notify local law enforcement of
1620	such unlicensed activity for a determination of any criminal
1621	violation of chapter 893.

1654	lawfully disposing of marijuana or a marijuana delivery device,
1655	as provided in this section, s. 381.988, and by department rule.
1656	(e) This subsection does not exempt a person from
