Miami Lakes, FL 33014

Dear Mr. Rey:

**Subject: Cooperative Funding Program Application  
Miami Lakes Lake Sarah Drainage Improvements Project**

The South Florida Water Management District (District) would like to thank you for your commitment to stormwater management projects and your application for project funding under the Cooperative Funding Program (CFP).

The District's Governing Board has selected the projects to receive funding from the CFP at their September 8, 2016 meeting. We are pleased to inform you that the subject project was awarded \$125,000.00 in funding. You will be receiving a contractual agreement in the mail for this project within the next few weeks. The contract will need to be signed by an individual with signature authority on behalf of Town of Miami Lakes. Do not delay your construction based on receipt of the contract; funding covers construction related costs incurred and expended during the period October 1, 2016 to September 30, 2018.

We look forward to working with you on this important project. If you have any questions, or require additional information, contact Nestor Garrido at (561) 682-6908 or via email [ngarrido@sfwmd.gov](mailto:ngarrido@sfwmd.gov).

Sincerely,
