

ENTRY FEATURE

DURABILITY AND
MAINTENANCE ANALYSIS
REPORT

BY: PARKS & RECREATION DEPARTMENT

Current Color Scheme

- Current: Lucky Green, Hyper Blue, Gray Matters, Extra White.

Expected Lifespan, Materials & Maintenance

Expected Lifespan & Materials

- Lifespan: >30 years.
- Sherwin Williams Exterior Latex Flat Paint.

Maintenance

- Refresh colors every 6 years.
- Full repaint every 10 years.

Cost Options

- Cost breakdown: Labor and Materials.

	Total Cost
Best Sign Monuments (BSM)	\$5,700.00
Manufacturer's Local Subcontractor	\$785.00

Proposed Color Options:

Extra White

Labradorite

Kilim Beige

Recommendation & Budget Considerations

- After evaluating all alternatives, our recommendation is to retain the current state of the entry feature. However, in the event of considering a repaint, we suggest selecting Kilim Beige and engaging a local vendor for the repainting work.
- Current budget supports the repainting costs for the entry feature.
