Each year, hundreds of volunteers support the great work of parks, recreation, and conservation in the Town of Miami Lakes. Increasingly, there is public concern regarding the qualifications and backgrounds of volunteers in public settings with children, youth, people with disabilities, and the elderly. This has resulted in greater attention to risk management practices, quality assurance, and training.

Presently, the Town follows the policy outlined in Administrative Order #07-01, "The Town of Miami Lakes shall obtain national criminal background checks on all volunteers who maintain continuous contact with children and the elderly including volunteers, board members, coaches, and managers, and individuals conducting classes or programs." All coaches, managers, officials, umpires, and any volunteer in continuous contact with children, the elderly, or those with special needs are **required** to successfully pass a comprehensive background check on an annual basis and have a valid photo identification badge on them and visible at all times. The policy regarding background checks and photo identification badges are an important public safety tool as it:

- Provides special designation for authorized and qualified volunteers and should instill pride among volunteers to wear a photo ID badge.
- Is a key component of a comprehensive risk management practice that reflects a comprehensive public safety practice.
- Builds trust among the public that parks and recreation is committed to quality management practices.
- Provides public information regarding the leadership role of parks, recreation, and leisure services to make communities safe.

Steps to Become a Town of Miami Lakes Recreation Program Volunteer:

- **For individuals 18 years of age and older:**

Miami Lakes Optimist Club and Miami Lakes Soccer Club game day officials will check all volunteers and coaches prior to the start of each game. If the staff/officials do not see the photo identification badge visible, the staff/officials will request that the volunteer produce the photo identification badge. All volunteers are required to show their photo identification badge if asked by a staff member or an official. If the volunteer cannot produce a photo identification badge, then the following specific measures will be taken:
