There are currently several matters being litigated by the Town of Miami Lakes. Some of these matters are being referred to our insurance carrier to mitigate the Town's legal expense.

Background:

Michael Pizzi JR. v. Town of Miami Lakes

While there have not been significant expenditures during the month of December, litigation continues. An executive session is necessary.

Juan Valiente v. Town of Miami Lakes

There are no significant expenditures to report currently. Litigation is ongoing.

Jenkins v. FRS

Will need executive session to discuss. Litigation is ongoing.

Bridge Litigation Matters

Public records were requested of the City of Hialeah and have not yet been received. Need direction to pursue action against the City of Hialeah, if the City continues to withhold. Need executive session to discuss litigation on NW 170th street.
