

## Town of Miami Lakes Memorandum

---

**To:** Honorable Mayor & Councilmembers

**From:** Honorable Councilmember Josh Dieguez

**Subject:** Information & Resources

**Date:** April 21, 2020

### **Recommendation:**

\*This item requires the waiver of Section 7.2 of the Special Rules of Order.

I move to direct the Town Administration to develop a COVID-19 economic information and resource web page on the Town's Website. The intent of this item is similar to the Special Needs Resource Directory unanimously passed by the Council recently. It would contain links to state and federal disaster loan applications and other economic resources for businesses and the unemployed plus link to posts that provide information to understand the CARES Act. The page should also include other information such as the extended tax filing deadline, student loan payments deferment, and other key dates affected by or related to the COVID-19 outbreak
