

## **FAS 12FT LED Lighted / Illuminated Barrier Gate Arm Boom**

## **FAS 12FT LED Lighted / Illuminated Barrier Gate Arm Boom**

Do vehicles hit your gate? Not with our LED Gate Arms! Our brightly colored LEDs are highly visible both day and night. Lights are RED when in the down position clearly indicating that the drive must stop. Lights turn GREEN when the arm goes up clearly indicating that it is ok to go.

### **FAS 12FT LED Lighted / Illuminated Barrier Gate Arm Boom Product Options:**
