Jeff,

Thank you for your interest in these PharmaDrop.

Our kiosks are \$1550 each. Customization is available for an additional \$250 (one time). Each kiosk holds a specifically rated box with a serialized liner, referred to as Bundles. Each Bundle is \$160. We recommend purchasing 2 Bundles to start. When the first is filled and ready to be sent in, you will have another Bundle handy to put into the kiosk.

We also have an Auto Reload option. Once a Bundle is sent in for destruction, we automatically send another to your participant. Shipping will have to be determined depending on shipping location.

I am available to answer any questions you may have regarding the Program. Please let me know how I can help.

Sheila
