To: Honorable Mayor and Honorable Councilmembers

From: Councilman Jeffrey Rodriguez

Subject: Lake Katherine Special Taxing District

Date: September 22, 2020

Recommendation:

After discussion with the Lake Katherine Home Owners Association, and several of its members, I have learned to their desire to establish a Special Taxing District for Lake Katherine. Pursuant to Miami Dade County Code, Chapter 18-1, I ask my colleagues to join me in a resolution instructing the Town Manager and Town Attorney to assist the Lake Katherine Home Owners Association, and its residents with the establishment of the Special Taxing District. Once the County approves the Special Taxing District, a separate resolution, in accordance with Miami Dade County Code, Chapter 18-3 will be drafted in order to transfer control of said Special Taxing District to the Town.
