ARTICLE V. - ALLOWABLE ENCROACHMENTS INTO THE REQUIRED YARDS AND EXCEPTIONS TO THE MAXIMUM PERMITTED HEIGHTS

Sec. 13-1502. - Accessory buildings.

One-story accessory buildings shall be permitted within the required rear yard of single-family or two-family residences if they comply with the following:

- (1) Each accessory building, and the total of all accessory buildings and any storage shed, located in the rear yard, shall not exceed 350 square feet of roofed area (including roof overhangs) or cover more than 20 percent of the required rear yard, whichever is less. Enclosed storage areas in each individual accessory building shall not exceed 100 square feet (60 square feet in the zero lot line developments).
- (2) Accessory buildings shall be set back a minimum of five feet from a rear or interior side property line or for corner lots shall comply with the side street setbacks for the main structure. Roof overhangs shall be permitted to project a maximum of 12 inches into the required five-foot side and rear setbacks.
- (3) Accessory buildings shall be detached a minimum of ten feet from the residence and a minimum of six feet from roof overhangs (detached six feet from the main residence and six feet from any roof overhangs in the zero lot line developments). Accessory buildings shall be spaced apart from each other the same distance requirements as from the main residence.
- (4) Accessory buildings shall be limited to one story with a maximum height of 15 feet.
- (5) Allowable accessory buildings, with the exception of chickee huts as defined in this Code, shall be constructed and finished to match the existing residence (including roofing material) or designed in an architectural style complimentary to the existing residence~~-.~~, using either wood or CBS construction to match the residence, or aluminum or synthetic materials in a style that resembles wood construction and compliments the architecture of the main residence. Any accessory building with a pitch equal to or greater than two and one-half shall be constructed of standing metal seam roof, barrel tile, flat tile or another material which simulates barrel tile or flat tile to match the main residence.
- (6) Accessory buildings shall be limited to uses that are accessory to the main use, including but not limited to garages, carports, pergolas, cabanas, gazebos, etc. Sleeping or guest rooms shall not be permitted in detached accessory buildings.
- (7) Accessory buildings may contain heating and air conditioning, washers and dryers, toilets, bar sinks and showers.

Sec. 13-1506. - Canopies.

This section applies to single-family and two-family residences.

- (1) Required front and side yard. Canopies are not permitted within the required front and side yards.
- (2) Required rear yard.
 - a. Canopies attached to the main residence and open on at least three sides shall not be included in the lot coverage calculations except for that portion projecting into a required rear yard setback as follows:
 1. An attached canopy may project into the required rear yard setback a maximum of seven feet provided that no attached canopy projects any closer than three feet to a property line, unless otherwise provided by subsection (3) below. Any intrusion into a required rear yard setback shall be included in the lot coverage calculations.
 2. All attached canopies must comply with the required side street setbacks for the main residence.
 3. In lots where the rear setback is 25 feet or less, or where a detached gazebo as an accessory structure is unfeasible as determined by the Administrative Official, an attached canopy, open on at least three sides, may project into the rear setback up to a maximum of 50 percent of the required rear yard, provided no other detached accessory structure is proposed for the property. Each canopy located in the rear yard shall not exceed 350 square feet of roofed area (including roof overhangs) or cover more than 20 percent of the required rear yard, whichever is less.
 - b. Detached canopies in the rear yards shall comply with the setback and lot coverage restrictions for accessory buildings.
- (3) Construction. With the exception of chickee huts as defined in this Code, all canopies, attached or detached, may only be constructed of canvas, fabric or vinyl and pipe or, wood or CBS construction to match the residence, or aluminum or synthetic materials in a style that resembles wood construction and compliments the architecture of the main residence. Any canopy with a pitch equal to or greater than two and one-half shall be constructed of standing metal ~~seam~~seam roof, barrel tile, flat tile or another material which simulates barrel tile or flat tile to match the main residence.
